

Grand Theft Auto III cheats let you spawn weapons, restore health and armor, grab instant cash, summon tanks, make cars fly, change the weather, and send pedestrians into chaos across the PC, PlayStation 2, and Xbox versions of the 2001 classic. On PC you type letter codes during gameplay; on PS2 and Xbox you enter controller button combinations. Some cheats cannot be switched off and others can permanently break missions or your save, so make a backup save first.

Save before you use cheats: many cannot be switched off and some can break missions. Single-player only.

Effect	PC keyboard code	PlayStation	Xbox
All weapons	GUNSGUNSGUNS	R2, R2, L1, R2, LEFT, DOWN, RIGHT, UP, LEFT, DOWN, RIGHT, UP	RT, RT, LB, RT, LEFT, DOWN, RIGHT, UP, LEFT, DOWN, RIGHT, UP
