Business venture introduced in GTA Online's Diamond Casino Heist update, with prices from \$1,235,000 to \$4,082,500.

Backlot City

Los Santos neighborhood that was once the back lot of Richards Majestic Studio and is now mainly a shopping district.

Cayo Perico

Private Caribbean island off the coast of Colombia, also called The Island or Paradise, added in The Cayo Perico Heist update.

Davis

Incorporated city in southern Los Santos County, San Andreas, believed to have been called Ganton, appearing in GTA V and GTA Online.

Del Perro

Laidback, trendy beachfront city in Los Santos County, bordered by Pacific Bluffs, Morningwood and Rockford Hills.

Downtown Los Santos

Central business district of Los Santos, covering finance in Pillbox Hill, fashion in Textile City and Mission Row.

El Rubio's Compound

Fortified compound on Cayo Perico, Colombia, introduced in GTA Online as part of The Cayo Perico Heist update.

F. Clinton and Partner

Agency introduced in GTA Online's The Contract update, a private intelligence business co-owned by Franklin Clinton in Los Santos.

Los Santos

Major city of San Andreas, often abbreviated LS, which GTA Online unlocks through the Character Creator.

Los Santos International Airport

International airport in Los Santos, west of the port and south of La Puerta, shortened to LSIA, in GTA V and GTA Online.

Los Santos Naval Port

Military facility on Elysian Island in the Port of Los Santos, also known as Pier 45 and the Merryweather HQ.

Nightclubs

Business that earns legitimate income and acts as a hub for your other illegal businesses. Bought from the Maze Bank Foreclosures website in one of 10 locations.

Pacific Bluffs

Suburban Los Santos neighborhood for really rich people and home to the Kortz Center museum.

Properties

Purchasable properties that act as safe hideouts in GTA Online, sold through websites such as Dynasty 8, Maze Bank Foreclosures and The Open Road.

Rockford Hills

Affluent incorporated city in Los Santos County, San Andreas, which also contains the smaller neighborhood of Burton.

Rogers Salvage & Scrap

Scrap yard and recycling center in La Puerta, Los Santos, that appears in GTA V and GTA Online.

State of North Yankton

State seen in the GTA V missions Prologue and Bury the Hatchet, and a seasonal Survival mode setting in GTA Online.

State of San Andreas

US state that holds Los Santos and Blaine County, the main setting of GTA V and GTA Online.

Terminal

Neighborhood, also called Jetsam Terminal, located in the Port of Los Santos in GTA V and GTA Online.

Vinewood

District of Los Santos known for aspiring entertainment-industry hopefuls, appearing in GTA V and GTA Online.

Vinewood Walk of Fame

Iconic Los Santos landmark featured in GTA San Andreas, GTA V and GTA Online.

Weapons (18)**Assault Rifle**

Shrewsbury assault rifle with a large magazine and long-distance accuracy, based on the real-world AK-47 family.

Assault Shotgun

Vom Feuer fully automatic shotgun with an 8-round magazine and a high rate of fire.

Assault SMG

Vom Feuer submachine gun that is compact and lightweight and holds 30 bullets per magazine.

Baseball Bat

Common melee weapon present in every GTA game since GTA III, described as a lightweight aluminum bat with a leather grip.

Carbine Rifle

Vom Feuer assault rifle with a high-capacity magazine and long-distance accuracy, evolved from the older M16.

Fist

Bare-handed melee option, jokingly listed as a weapon, that is available in all Grand Theft Auto games.

Grenade Launcher

Shrewsbury compact, lightweight semi-automatic launcher that holds up to 10 rounds.

Grenades

Standard fragmentation grenades thrown by hand, appearing in every GTA game and ideal for clustered enemies.

Knife

Melee blade by Hawk & Little with a dual-edged, 7-inch carbon steel blade and a serrated spine.

M249

Combat MG, formerly the M249 and Advanced MG, a light machine gun that combines maneuverability with a high rate of fire.

Minigun

Coil six-barrel rotary machine gun with a Gatling-style design and a very high rate of fire, from 2000 to 6000 rounds per minute.

Molotov Cocktails

Crude but effective incendiary weapons, thrown by hand, that appear in nearly every game in the series.

Pistol

Standard .45 caliber combat handgun by Hawk & Little with a 12-round magazine that can be extended to 16.

RPG

Shrewsbury shoulder-launched rocket launcher that fires explosive warheads. Effective against vehicles and large groups.

Sawed-Off Shotgun

Shrewsbury single-barrel shotgun that makes up for low range and ammo capacity with devastating close-combat power.

SMG

Hawk & Little all-around submachine gun, lightweight with an accurate sight and a 30-round magazine.

Sniper Rifle

Shrewsbury rifle for long-range accuracy, with a slow reload and a very low rate of fire. Appears in nearly every GTA.

Tear Gas

Hawk & Little thrown tear gas grenade that is particularly effective at incapacitating several enemies at once.
